Event Description

Like any Triathlon, there will be a component for swimming, cycling and running. We will have participation medals for all participants. This is an opportunity for your young athlete to participate in an inclusive and enjoyable life-experience while supporting a good cause. It is not structured as a highly competitive event. Rather, we want it to encourage self-confidence, good health and community spirit through participation.

The Course

Swim – The swim course will take place in a 90 degree pool located at the Schafer Sports Center and athletes can swim or walk as many laps as they can for 10 min before transitioning to the next event. The pool is 4'2" deep and will be completely monitored by lifeguards.

Bike – The bike course will take place on the path at the Ewing Municipal Soccer fields directly adjacent to the Schafer Sports Center. Bikers will take to the course and complete as many laps as they can for 20 minutes. Water will be made available in the transition area if needed.

Run – The running course will take place at the same Ewing Municipal Soccer Fields and runners will complete as many laps as possible for 20 minutes. They will run around the soccer field. Water will be made available in the transition area if needed.

The event is Rain or Shine. All Registration fees are non-refundable. Helmets are required. Bikes (w wheel, 4 wheel or scooters allowed) Athlete numbers must be worn during the entire event.

T-Shirts: All participants registered by September 4th will receive an event t-shirt. Registration after this date does not guarantee a size specific shirt.
